2. The Organizer is not responsible for any theft, loss, damage or destruction of exhibits or any other things left in the stand before, during or after the event, irrespective of circumstances.
3. The Exhibitor agrees to adhere to the regulations valid in the place of the event.
4. Any practice contrary to regulations valid in Poland and incompatible with the principles set down in the General Terms, allows the Organizer to terminate the agreement and the Exhibitor has no right to claim damages.
5. The Exhibitor is responsible for damages done to the buildings, furnishings, installations and his hired staff.

### § 8. Completing of the order.

1. Sending an order (copy A and B) is equivalent to signing a contract on taking part in the exhibition and on additional services, on the terms specified in the present offer. Orders may be sent by fax.
2. Organizer reserves the right to withdraw from the contract for important reasons, including economic ones, no later than 4 weeks before the exhibition's starting date, in which case the exhibitor will not be entitled to claim for any damage.

### § 9. PAYMENT TERMS

1. Exhibitor is obliged to pay a deposit as security for Organizers's claims, in the amount of 45% of the contract value, within 7 days of placing the order, and to deliver proof of payment.
2. The deposit specified in section 1 will be counted as part of the fees during the final settlement.
3. The remainder of the amount due, i.e. 55% of the contract value, is payable not later than 30 days before the exhibition's starting date.
4. Payment should be made in accordance with Pro-forma Invoices issued by Organizer.
5. VAT Invoice will be issued by Organizer within 7 days from crediting the account.
6. If the payments specified in sections 1 and 3 are delayed, Organizer has the right to calculate statutory interest.
7. The costs of additional services ordered by the exhibitor during the event are payable upon placing the order.
8. Claims of any kind do not exempt the exhibitor from prompt payment.
9. Organizer reserves the right to adjust prices upon a complete analysis of the costs of subcontractors, in which case exhibitors have the right to withdraw from the contract within 3 days of receiving information on the price adjustment.

### § 10. CANCELLATION OF PARTICIPATION

1. In case the Exhibitor, who has paid a deposit withdraws from the contract not later than 2 months before the exhibition date i.e. 06.07.2011, the Exhibitor is obliged to pay the Organizer 50% of the order value, including the deposit already paid.
2. In case the Exhibitor, who has paid a deposit withdraws from the contract after the date indicated above i.e. 06.07.2011, the Exhibitor is obliged to pay the Organizer 100 % of the order value.
3. Points 2,3 of this paragraph do not take force in case the Organizer sells the ordered exhibition space to a new Exhibitor. In this case the Exhibitor is obliged to pay 25% of the value of the order related to participation (without extra fittings) as compensation for the costs already incurred.
4. Participation can only be cancelled in writing (registered letter), upon pain of nullity

### § 11. SITE LEASING

1. Sites are let strictly to the Exhibitor only or to his representative previously agreed with the Organizer.
2. The Exhibitor may render his site accessible to other co-exhibitors only if the Organizer accepts Exhibitor's written application.

### § 12. Distribution of written materials and advertising

1. Written materials may be distributed by the Exhibitor on his own stand only. The Exhibitor is allowed to advertise at his own stand. Advertising outside the stand has to be permitted by the Organizer.

### § 13. Electricity installation

1. All electrical installation must be accepted by the Organizer.
2. Electric current specifications: 2-phase, 50 Hz, 220 V. Current 380 V - on request, extra charged.
3. Each 9 sq m stand is provided with 2 spot lights and one socket built into the paneling. Additional lights, sockets and other electric fittings can be provided, if ordered previously in writing through the Organizer.
4. All works associated with the electrical installation must be performed by the Organizer's specialists.
5. If ordering space only, the Exhibitor undertakes all electrical installation works on his own but all electrical installation must be accepted by the Organizer. The Organizer carries out the technical acceptance of the electrical installations after the Exhibitor presents the neutral protocol of the installation. In case of a lack of such protocol the Organizer will carry out a ground measurement on his own and at the Exhibitor's cost.

### § 14. Fire protection regulations

Fire protection regulations must be strictly followed.

The refrigerator plug must not be used for any other electrical devices.

### § 15. Designing

1. If the Exhibitor does not provide a special plan for arranging the ordered space by 06.07.2011 the Organizer will divide the space according to a standard semi-opened shell scheme.
2. If the design sent by the Exhibitor requires more materials and/or labour than the typical shell stand, the Organizer supplies the Exhibitor with the extra price quotation.
3. Maximum height of stands walls - 250 cm. Exceptionally, the Organizer will approve higher stands upon written confirmation.
4. The Organizer supplies walls painted according to the exhibition's graphic design and 30 cm fascia board with the name of the company. Special requirements in this respect are to be included in the application form.
5. The enlargement of ordered space and changes concerning the stand equipment can be made until 01.08.2011.
